**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a residential customer, and I chose Sonic for my telephone and internet service because their prices are competitive and their service is excellent.

I say no to price hikes that will raise the costs of my internet and telephone. I rely on Sonic services and oppose the bill which will deregulate broadband competition and negatively affect access.
